 ADEQUATE FOR HUGHES AIRWEST AIRCRAFT.

RESPONSIBILITIES FOR DEPARTURES, ARRIVALS, CONNECTIONS AND CANCELLATIONS.—Hughes Airwest will not be responsible for damages resulting from failure to depart or arrive at times stated in the timetable, nor for errors herein, nor for failure to make connections with planes of other airlines or of this company, nor for cancellations beyond our control when such action is deemed advisable. Schedules and fares are subject to change without notice.

For current fare information consult a Hughes Airwest office or your travel agent.

Hughes Airwest flies only the West. That's why we fly it better.

Nobody knows the West better than we do. It's our home ground. Our own backyard. That's why we can provide the kind of service that better suits your needs. For example:

Only Hughes Airwest flies from all three Bay Area airports to Las Vegas and Phoenix.

Our new morning non-stop jet to Phoenix from San Jose is the first flight to Phoenix and the only flight to Phoenix from the Bay Area with breakfast on board.

Only Hughes Airwest has daily

flights direct from the Bay Area to the great cities of western Mexico: Guadalajara, La Paz, Mazatlan and Puerto Vallarta.

First non-stop to Eugene from San Francisco in the morning. Convenient evening non-stop which also serves San Jose.

Only Hughes Airwest offers on-board services that reflect the West. Like our new California Wine Taster Flights. Complimentary samplings of vintage California wines, plus cheese and fruit, on every flight from San Francisco to Eugene.

**Come fly the Sun.

Some of our biggest cargo customers are United, Western, Continental and American airlines.

Why?

Because Hughes Airwest offers significant advantages to air cargo customers that you just can't get anywhere else. For example:

We fly cargo to more major industrial cities in the West than any other airline. More western cities than United, Western, and Continental combined.

All our passenger flights carry cargo. If you want to ship cargo out of the San Jose or Burbank airport, we can do it.

We can arrange to have your

cargo shipped throughout the East. Indeed, throughout the world.

We have pickup and delivery service in most cities.

We're big enough to give you fine service, but small enough to give you personalized treatment. Like speedy recovery. We can have your cargo out of the terminal and on its way in a fraction of the time it takes most airlines.

So if you've got a cargo problem, call Hughes Airwest cargo office, or your air freight forwarder.
