NEW JETS **Seattle-Phoenix**

New high speed shipping container.

An Air West 727, DC-9 or F-27 can speed your cargo into or out of more than 75 communities in California, Washington, Oregon, Idaho, Nevada, Utah, Arizona, Montana, Canada (Calgary) and Mexico (La Paz, Mazatlan and Puerto Vallarta). That includes 45 places no other airline flies to at all. Sooner or later there had to be one airline serving the entire West. So West Coast, Bonanza and Pacific got together to make one.

The one airline that had to happen.
