**HELP YOURSELF TO BETTER AIRLINE SERVICE**

- 1 Make your reservations as far in advance as possible. Airline space is at a premium today. Reservations involving several carriers are complex and require time for completion.
- 2 Be at the airport at least 20 minutes before flight departure time. The flight will be "closed out" 10 minutes before scheduled departure time and your space may be claimed by a "stand-by" passenger.
- 3 Re-confirm return space on round trip reservations at least 6 hours before departure time. Failure to re-confirm within the 6 hour limit will result in cancellation of your space and reassignment to a passenger on the waiting list.
- 4 Always give airline personnel at the station you expect to board a valid contact so that you can be reached in event of a delayed flight or cancellation. This is doubly important at stations where you board for your return trip.
- 5 Don't be a "no show." Cancel your reservation promptly if your plans change or it is evident you will be too late for the flight. Thousands of persons daily forget to cancel space and the airlines find it out only at flight time when the passenger fails to appear. This usually results in a disappointed person who needed the space and could have used it.

Observance of these five simple rules will save you and your fellow travelers inconvenience and discomfort.

**PASSENGER INFORMATION**

**EQUIPMENT:** Douglas DC-3 aircraft are operated on all flights.

**RESERVATIONS:** Must be made in advance at any airline ticket office or travel agency. Passengers must present themselves at the airport office of Wisconsin Central at least 10 minutes prior to flight departure time. Passengers continuing passage after a stopover or on the return portion of a round trip must re-confirm their reservations at least 6 hours prior to flight departure time or their reservations will be cancelled.

**BAGGAGE:** Forty pounds of baggage including brief case and hand luggage will be carried free on any ticket. Charge for excess baggage is 1/2 of 1% of the one way adult fare per pound, subject to a minimum charge of 25c.

**CHILDREN'S FARES:** One child under two years and not occupying a seat will be carried free with each accompanying passenger paying the adult fare. Children under two years for whom seats are reserved and children over 2 and under 12 years will be charged one half of the adult fare. Children under eight must be accompanied by a passenger 12 years or over.

**SCHEDULES:** Show the time at which planes may be expected to arrive at or depart from stations, but the carrier will not be responsible for consequences arising from delays or cancellations or from errors in the printed schedule. Schedules and fares shown are subject to change without notice.

**STOPOVERS:** Within the time limit of the ticket, stopovers will be permitted at any scheduled stop provided prior arrangements have been made. The passenger assumes the responsibility of making the necessary subsequent reservations.

**LIMOUSINE SERVICE:** For the convenience of passengers, the company will be glad to arrange limousine or cab service between city and airport if prior notice is given the ticket agent.
