Advice to International Passengers on Limitation of Liability . . .

Passengers on a journey involving an ultimate destination or a stop in a country other than the country of origin are advised that the provisions of a treaty known as the Warsaw Convention may be applicable to the entire journey, including any stopover within the country of origin or en route to the final destination.

For better service we make the following suggestions

- ✪ Make your reservation as far in advance as possible.
- ✪ Please check in at the ticket counter at least 20 minutes before flight time. Reservations are subject to cancellation unless you present yourself at the ticket lifting point at least 10 minutes prior to scheduled departure time.
- ✪ Please re-confirm reservations at the city where you will board at least 6 hours prior to scheduled departure, after a stopover of twelve hours or more.
- ✪ Give airline personnel at the station you expect to board a phone number where you can be reached.
- ✪ Please cancel your reservation promptly if your plans change or it is evident you will be too late for the flight.
- ✪ Reserve your Rental Car in advance.

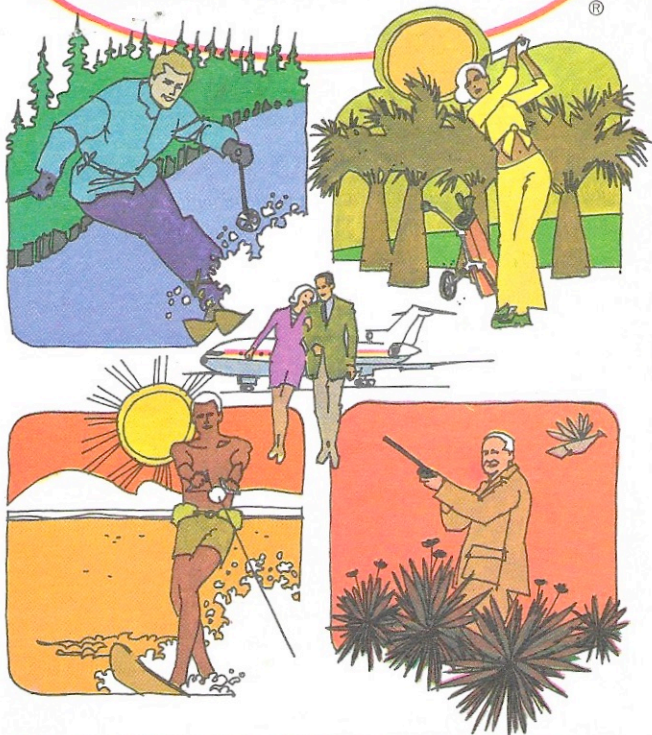

Carry-on Baggage Regulations

- ✪ Carry-on articles such as briefcases, hat boxes, musical instruments, etc., must be limited to the size so they can be placed under the seat.
- ✪ Items not meeting this size limitation must be checked as baggage and loaded in that compartment.
