## TRAVEL TIPS

- Make your reservation as far in advance as possible.
- Please check in at the ticket counter at least 30 minutes before flight time. Reservations are subject to cancellation unless you present yourself at the ticket lifting point at least 10 minutes prior to scheduled departure time.
- Please re-confirm reservations at the city where you will board at least 6 hours prior to scheduled departure, after a stopover of 12 hours or more. Passengers staying in Grand Cayman more than 72 hours must re-confirm their reservations at least 72 hours before scheduled departure of their flight. Passengers traveling to Mexico are required to reconfirm return or continuing reservations at least 24 hours prior to scheduled flight departure. Failure to do so will result in the cancellation of all remaining reservations.
- Give airline personnel at the station you expect to board a phone number where you can be reached.
- Please cancel your reservation promptly if your plans change or it is evident you will be too late for the flight.
- Reserve your Rental Car in advance.

## CARRY-ON BAGGAGE REGULATIONS

- FAA regulations require that all articles carried on board commercial aircraft will be searched. We recommend that you check all baggage that will not be needed in flight.
- Carry-on articles such as briefcases, hat boxes, musical instruments, etc., must be limited in size so they can be placed under the seat. Items not meeting this size limitation must be checked as baggage. Approximate maximum dimensions are 21"x16"x8".

## HAZARDOUS MATERIALS

- Federal regulations restrict carriage on aircraft of items classified as hazardous materials. These materials include but are not limited to flammable gases, liquids and solids; non-flammable compressed gas; explosives; poisons; corrosives; oxidizing materials; radioactive materials; etiologic agents and magnetic materials. These materials and others may not be included in carry-on baggage. Violators are subject to substantial fines. Further information is available upon request.

## TICKET REFUNDS

If your travel plans change and your wholly unused Republic ticket is presented for a refund, an administrative service charge will be deducted from the actual value of the ticket. This service charge does not apply to a ticket issued with fares based on Business Coach, Coach or Night Coach, or to tickets for Federal Government travel.

Please contact any Republic ticket agent for further information.

## NOTICE—OVERBOOKING OF FLIGHTS

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations.
