

NORTH CENTRAL AIRLINES

EFFECTIVE APRIL 28, 1968

Thanks for making our 20th year the best ever!

Of all our twenty years, 1967 was the greatest. We put the first of our Convair prop-jets into service in April. Inaugurated DC-9 fan jet service in September. And, in July, pulled our head out of the clouds long enough to break ground for a new 15 million dollar general office and main operations base at the Minneapolis/St. Paul International Airport. We also added two major cities—Kansas City and Toronto—to our Northliner route.

Today our 100-passenger DC-9 fan jets and Convair prop-jets are serving over half of the 90 cities in the North Central System. By the end of this year we'll have an all-jet-powered fleet.

As we celebrate our twentieth birthday, we'd like to thank you and more than 16 million other passengers for flying North Central! We look forward to the next time we can say, "Welcome Aboard."
