“They’re cutting down transfer times at Schiphol again.”

“I hope there’ll be time to shop.”

Transferring at Amsterdam Airport Schiphol has always been fast and convenient. And now, thanks to KLM's new scheduling and increased flights, transfer times have been cut yet again. Making Schiphol the logical place to change planes.

But Schiphol is more than just convenience. It's also a bargain filled department store. Offering the best duty-free shopping facilities in the world. With prices that have to be seen to be believed.

Fly the world via KLM's super home base. Via Schiphol, the Gateway to Europe. And pick up the bargains on the way. Test us, try us, fly us.

Inlichtingen voor KLM-passagiers

Meldingstijd. Op pagina 104 t/m 132 is aangegeven, hoe laat U zich uiterlijk op het vliegveld dient te melden. Passagiers die zich te laat melden, lopen het risico dat hun reservering is vervallen. Het vertrek van een vliegtuig brengt een aantal voorgeschreven formaliteiten en voorbereidingen met zich mee. Dit maakt het noodzakelijk, de passagiersafhandeling tijdig af te sluiten. Het vertrek van een vliegtuig of bus kan niet worden uitgesteld ter wille van passagiers die zich niet tijdig hebben gemeld.

Reisdocumenten. Controleer tijdig of al Uw reisdocumenten, zoals paspoort, visa, vaccinatie-bewijzen e.d., in orde zijn. De KLM en andere luchtvaartmaatschappijen behouden zich het recht voor, het vervoer van passagiers te weigeren als hun documenten niet in orde zijn.

Kinderen. De volgende kortingen gelden in het algemeen. Voor kinderen onder geleide die de leeftijd van twee jaar nog niet hebben bereikt en waarvoor geen afzonderlijke zitplaats wordt verlangd, is slechts 10% van het tarief voor volwassenen verschuldigd. Kinderen van 2 t/m 11 jaar betalen 50% van het tarief. Op sommige routes/tariefsoorten gelden andere kortingen. Voor kinderen die alleen reizen, gelden afwijkende tarieven en voorschriften.

Voor alleenreizende kinderen die de leeftijd van zes jaar nog niet hebben bereikt, is een KLM-begeide(st)er vereist; hiervoor zal een redelijke vergoeding in rekening worden gebracht. Raadpleeg Uw KLM-agent of het plaatselijke KLM-kantoor.

Bagagebepalingen.

A. **Algemene bepalingen voor reizen met de KLM (niet van toepassing op reizen naar en van de V.S. en Canada).** Zonder bijbetaling mag U meenemen:

1. 20 kg in de *Tourist Class* plus 1 stuk cabinebagage met een maximum formaat van 50x40x25 cm (= lengte, breedte en hoogte).
2. 40 kg in de *Royal Class* plus 2 stuks cabinebagage met een maximum-formaat van 50 x 40 x 25 cm en 30 kg in de *"Business" Class* van KLM plus 1 stuk cabinebagage met een maximum formaat van 50 x 40 x 25 cm (= lengte, breedte en hoogte). Voor babies die tegen 10% van het tarief voor volwassenen reizen, mag een opvouwbare wandelwagen worden meege-nomen.

Voor iedere kg méér wordt een bedrag in rekening gebracht, gelijk aan 1% van het tarief in de *Royal Class*, enkele reis.

B. **Bijzondere bepalingen voor reizen met de KLM naar en van de Verenigde Staten en Canada.*** U mag zonder bijbetaling meenemen: *Royal Class*:

1. Twee stuks gecheckte (geregistreerde) bagage, hieronder ruimbagage genoemd, met een maximum-formaat van elk 158 cm (= som van lengte, breedte en hoogte); maximum gewicht per stuk: 32 kg.
2. 2 stuks cabinebagage met een maximum-formaat van 50x40x25 cm.

Business en Tourist Class:

1. Twee stuks ruimbagage, waarbij het grootste stuk niet boven de 158 cm mag meten en het kleinste beperkt moet blijven tot 140 cm. Maximum gewicht per stuk: 32 kg.
2. 1 stuk cabinebagage met een maximum-formaat van 50x40x25 cm.

N.B. a. Indien Uw reis begint in Canada of de V.S. blijven deze bagagebepalingen van toepassing op alle per KLM gevlogten trajecten, ongeacht gemaakte reisonderbrekingen.

b. Indien Uw reis begint in andere landen, zijn deze bepalingen alleen van toepassing op per KLM gevlogten trajecten vanaf de laatste reisonderbreking op weg naar Canada of de V.S.

Babies die voor 10% van het tarief reizen mogen 1 stuk van ten hoogste 50x40x25 cm vrij meenemen plus opvouwbare wandelwagen. (Deze bagage wordt in het ruim van het vliegtuig geladen). Voor over-bagage gelden diverse bijzondere tarieven. Uw KLM-agent kan U hierover inlichten.

C. **Bagagebepalingen voor KLM vluchten naar en van Mexico**

De bagagevrijdom onder A is van toepassing, behalve voor vervoer tussen Mexico en Nederland/Mexico en Duitsland waarvoor de bepalingen onder B van toepassing zijn.

D. **Persoonlijke bezittingen** Behalve de onder A en B bedoelde bagage mag U de volgende persoonlijke artikelen vrij meenemen: een overjas of mantel, een paraplu, een wandelstok, een klein foto toestel of dito filmcamera, een verrekijker, een handtas, een redelijke hoeveelheid lektuur voor onderweg, een reiswieg en babyvoeding voor gebruik aan boord. Neem deze artikelen bij voorkeur niet mee in Uw koffer.

* De hierboven beschreven regeling voor reizen naar/van de V.S. en Canada wordt door enkele landen/luchtvaartmaatschappijen niet toegepast. Raadpleeg Uw KLM-agent of het plaatselijke KLM-kantoor.

Onbegeleide bagage. Voor onbegeleide bagage geldt een vrachttarief. Deze bagage wordt als vracht behandeld. Aanlevering via KLM vrachtkantoren of agenten. Verscheping zal veelal op een later tijdstip plaatsvinden. Op Schiphol is aanlevering ook mogelijk bij de KLM vracht service balie in de vertrekhal.

Labels. U dient Uw bagage aan de binnen- en buitenkant van labels met Uw naam en adres te voorzien — in Uw eigen belang. U kunt naamlabels bij de KLM-agenten en alle KLM-kantoren (ook op de luchthaven) gratis verkrijgen.

Fietsen. Passagiers die een fiets willen meenemen, dienen dit tegelijk met de boeking op te geven.

Speciale maaltijden. Passagiers die om medische of religieuze redenen speciale maaltijden wensen, kunnen gebruik maken van de "Special Meal Service" van de KLM. Aanvragen dienen tegelijk met de boeking te worden ingediend.

Zieke en invalide passagiers/Aanstaande moeders.

De Medical Services van de KLM zal de aanvragen beoordelen voor het vervoer van zieke en invalide passagiers, met inbegrip van gevallen waarin een brancard wordt vereist. Deze regeling geldt ook voor aanstaande moeders.

Vervoersvoorwaarden. Al het vervoer per KLM is onderworpen aan de Algemene Vervoersvoorwaarden van de KLM, die zijn gedeponereerd bij de Arrondissementsrechtbank te 's-Gravenhage. Deze voorwaarden liggen ter inzage bij de KLM-kantoren.

Information for KLM passengers

Latest check-in time. The latest airport check-in time is indicated on pag. 104 u/i pag. 132. Passengers who arrive after this time risk losing their flight reservations. The formalities and preparations essential to every flight make it necessary to close passenger handling operations in good time. We cannot delay flights, or coach services, for passengers who arrive late.

Travel documents. Before you start your journey, check to be sure all your travel documents - visas, passports, vaccination certificates, etc. - are in order. All airlines reserve the right to refuse carriage to passengers whose documents are not in order.

Children. In general the following discounts apply: for infants under 2 years of age and not occupying a separate seat, 10% of the applicable adult fare is due. For children who have reached their 2nd birthday but are not yet 12 years of age, 50% of the applicable adult fare must be charged. Depending on routes/faretypes, different discounts may apply. For children travelling alone, different fares and regulations are applicable.

Children under 6 years of age travelling alone require a KLM escort; a reasonable surcharge will be levied for this service.

Your KLM travel agent, or the local KLM office can give you full details.
