AIRLINES

Effective July 1, 1983

SYSTEM TIMETABLE

Here are all the other major airlines that offer more services and fly to more cities than we do:

Other major airlines offer you low fares and special rates. So do we. And we guarantee it.

All the other major airlines offer charter service, meeting and convention services and attractive vacation tours. So do we.

Several top airlines say they cater to business travelers with special seating, airport lounges, and free tickets for frequent flyers. No one does all that better than we do.

Every major airline delivers fast, reliable cargo service. So do we.

And it seems all the airlines say they serve the best food in the sky. Our passengers tell us ours really is.

But there is one thing no other airline is saying. And that is, they go to more cities than we do. Coast-to-coast, big or small, nobody can take you more places than Republic. And that says a lot. Say a lot for yourself. Fly Republic.
