*We make you feel like flying.*SM

At Republic, we think your hardships and your hard work deserve some recognition. Some special treatment, some special rewards to let you know we understand what you go through as a business traveler. We want to give you things to make your life when you fly a little easier and a whole lot better. We want to give you some PERKS! Try our Business First Class, Executive Suites, or Frequent Flyer Program. Plus we're adding more perks all the time. Next time you take a business trip, fly Republic. And get the perks you deserve.

Republic Airlines

**MAKE
THE EASIEST
BUSINESS
CONNECTIONS
ON REPUBLIC.**

At Republic, we've built one of the biggest route systems in the world using some of the country's *least* congested airports instead of using the busiest ones.

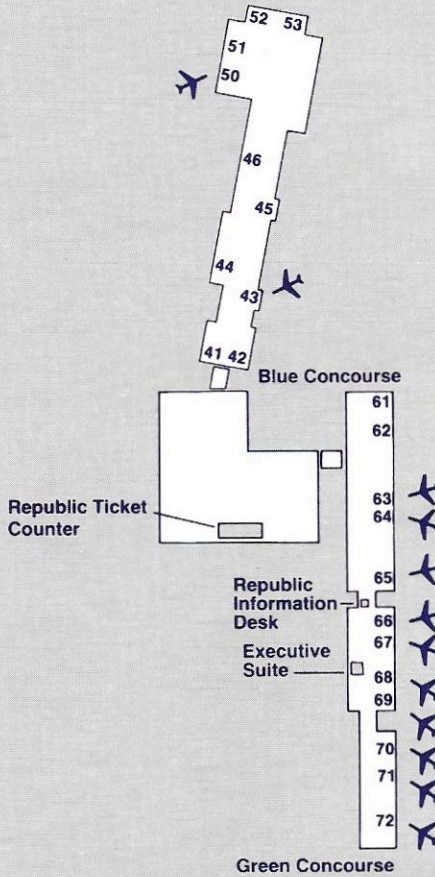

Sure, we can fly you to all the nation's leading business centers. But we fly you through hassle free Detroit, Memphis and Minneapolis/St. Paul; instead of Chicago, Dallas/Ft. Worth and Atlanta where congestion and crowds can make connections a hassle.

When you fly Republic, you not only avoid the crowds, you get where you're going on schedule and with a lot less frustration. And that's got to be one of the best perks of all.

Next time you need a hassle free business trip, fly Republic.

Republic Introduces FasTrack.SM

Republic gets you on the FasTrack with the most nonstops every business day between Detroit and Chicago O'Hare and Minneapolis and Chicago O'Hare.

The Detroit — Chicago FasTrack

Republic offers you the most nonstops between Detroit and Chicago O'Hare. Our 8 nonstops are scheduled throughout the day to meet your business needs. If your business day starts early, FasTrack gets you there first.

The Minneapolis — Chicago FasTrack

No one has more flights between Minneapolis and Chicago O'Hare than Republic. With 10 nonstops every day, FasTrack fits even the most hectic business schedule.

FasTrack Means Business

Republic's FasTrack offers you the only Business First ClassSM service featuring a separate up-front cabin; wide two-across seating and complimentary beverages. All for just \$15 over the non-discounted coach fare. Everything you need to get you on the FasTrack.

For reservations call your travel agent, corporate travel planner or Republic Airlines.

GRAND CAYMAN RECONFIRMATION: Passengers staying in Grand Cayman more than 72 hours must reconfirm their reservations at least 72 hours before scheduled departure of their flight. Failure to do so will result in the cancellation of all remaining reservations.

MEXICO RECONFIRMATION: Passengers traveling to Mexico are required to reconfirm return or continuing reservations at least 24 hours prior to scheduled flight departure.

CHECK-IN AND SEAT ASSIGNMENT: Passengers are requested to check in at least 45 minutes before departure to allow ample time for baggage check, seat assignment and security screening. Reservations which are not ticketed 30 minutes prior to scheduled departure are subject to cancellation. In addition, those passengers who do not present themselves at the ticket-lift point at least 10 minutes prior to scheduled departure of domestic flights (30 minutes for international flights) subject their reservation to cancellation, and Denied Boarding Compensation will not be applicable. Those passengers who have advance seat assignment must also check in at least 10 minutes before scheduled departure (30 minutes for international flights).

After the captain has turned off the seat belt sign, you may move to another seat. However, before landing, please return to your assigned seat. If you exit the aircraft during a stop, please return to your assigned seat. If your seat is presumed to be vacant, it could be reassigned.

RESPONSIBILITY FOR DEPARTURES - ARRIVALS -

CONNECTIONS: Republic will not be responsible for damages resulting from the failure of flights to depart or arrive at times stated in this flight schedule, nor for failure to make connections with planes of other airlines or of this company. Schedules are subject to change without notice and are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be guaranteed. Schedules will be adjusted during certain holiday periods. Please check with your nearest Reservations office for these changes.

FREQUENT FLYERS: The mileage printed adjacent to the city pairs in this timetable reflects direct mileages. To calculate the mileage for connecting flights, add the direct mileage for each segment of your trip. Note: For Regional Carrier connections, the printed mileage may be approximate.

BAGGAGE REGULATIONS

BAGGAGE: Within the United States, Canada and Mexico carrier will transport without charge, 1 piece of baggage with linear dimensions (length + height + width) not exceeding 62 inches, plus 1 piece of baggage with linear dimensions not exceeding 55 inches, plus one or more additional pieces which, if measured together, do not exceed 45 inches in overall total dimensions. The latter may be carried on board if it remains under the passenger's seat. Approximate maximum dimensions are 21" X 16" X 8" (total not to exceed 45"). The maximum weight of any one of three pieces shall not exceed 70 pounds. Articles exceeding the free allowance will be assessed excess baggage charges.

Passenger's baggage must contain owner identification on the outside of the baggage and all baggage should be locked. Fragile and perishable articles, medicines, passports or valuable items should be carried in hand luggage.

SECURITY REGULATIONS: FAA regulations require that all carry-on baggage/articles must be inspected or processed through metal detecting devices. Firearms in checked baggage must be declared and unloaded.

Carry-on articles such as briefcases, hat boxes, musical instruments, etc. must be limited in size so they can be placed under the passenger's seat or approved compartment. Items not meeting this limitation must be checked as baggage.

RESTRICTED ARTICLES: Acids, matches, flammable liquids and other hazardous articles must not be packed in baggage, nor may "visible fluid" lighters be used on board aircraft. AM and FM radios, TV receiver and other electronic devices must not be used on board aircraft in order to avoid disturbance of the aircraft's electronic navigational equipment. Portable electronic devices such as voice recorders, hearing aids, heart pacemakers and electric shavers will be permitted.
