General Information

How to Use the Flight Directory Simply look up the city from which you wish to begin your trip. These originating cities will be listed alphabetically in the color panels on the following pages. Look down the alphabetical listing of cities under the color panel to find your desired destination. Once you have located your origin and destination cities, you may use the legend below to accurately read Southern's time-saver flight directory.

Baggage

The free baggage allowance, solely within the Continental United States and/or Canada, is three bags having linear dimensions no greater than 62", 55", and 45". The free baggage allowance for travel outside the Continental United States and/or Canada is 44 pounds. Luggage in excess of the free allowance will be transported only after payment of charges in accordance with the appropriate tariff. Any piece having linear dimensions exceeding 80" or weighing more than 70 pounds will not be accepted as baggage. Government safety regulations limit carry-on baggage to items that can be stored under the passenger's seat. All passenger baggage is accepted subject to tariff rules, one of which requires the PASSENGER'S NAME on the OUTSIDE.

Restricted Articles in Baggage

Articles such as the following SHALL NOT be carried in passengers' baggage without consent of and prior arrangements with Southern: Compressed gases (flammable, non-flammable and Poisonous); Corrosives (such as acids, wet batteries); Explosives, munitions, fireworks and articles which are easily ignited; Flammable liquids and solids (such as flammable aerosols, lighter or heating fuels, matches); Oxidising materials; Poisons; Radioactive materials; Dry ice; Other restricted articles (such as mercury, magnetic material, offensive or irritating materials).

Hotel/Car Rentals

Reservations for hotel space and car rentals may be made through any Southern office at the same time your flight space is reserved. Your Southern Agent will be happy to assist you.

Equipment

Flights are scheduled with 80 and 100 passenger Douglas DC-9 FanJET aircraft designated by flight numbers 120-699, and the 18 passenger Metroliner designated by flight numbers 700-899.

Charge Accounts

Southern honors various major credit cards for travel over the routes of Southern and certain trunk airlines. Your Southern Agent will be happy to furnish details.

Reservations

Must be made in advance at any airline ticket office or travel agency. Passengers are requested to check in at the airport counter at least 45 minutes before flight departure to allow ample time for checking in and security screening. Persons may be refused passage if arriving at ticket lift position less than 10 minutes (30 minutes in Grand Cayman) before departure time when accommodating them may delay the departure.

Grand Cayman Reconfirmation

Passengers staying in Grand Cayman more than 72 hours must reconfirm their reservations with Southern at least 72 hours before scheduled departure of their flight. Failure to do so will result in the cancellation of all remaining reservations.

Responsibility for Departures-Arrivals-Connections

Southern will not be responsible for damages resulting from the failure of flights to depart or arrive at times stated in this flight directory, nor for failure to make connections with planes of other airlines or of this company. Schedules are subject to change without notice and are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be guaranteed.

Children

One child, under 2 and not occupying a seat, and accompanied by a fare paying passenger at least 12 years of age, will be carried free. No child under 5 may travel unaccompanied under conditions outlined in appropriate tariffs.

Schedules

All schedules are subject to change without notice. Schedule adjustments will be made during certain holiday periods. Please check with your nearest Southern reservations office for these changes.
