NEW RULINGS REGARDING YOUR RESERVATION

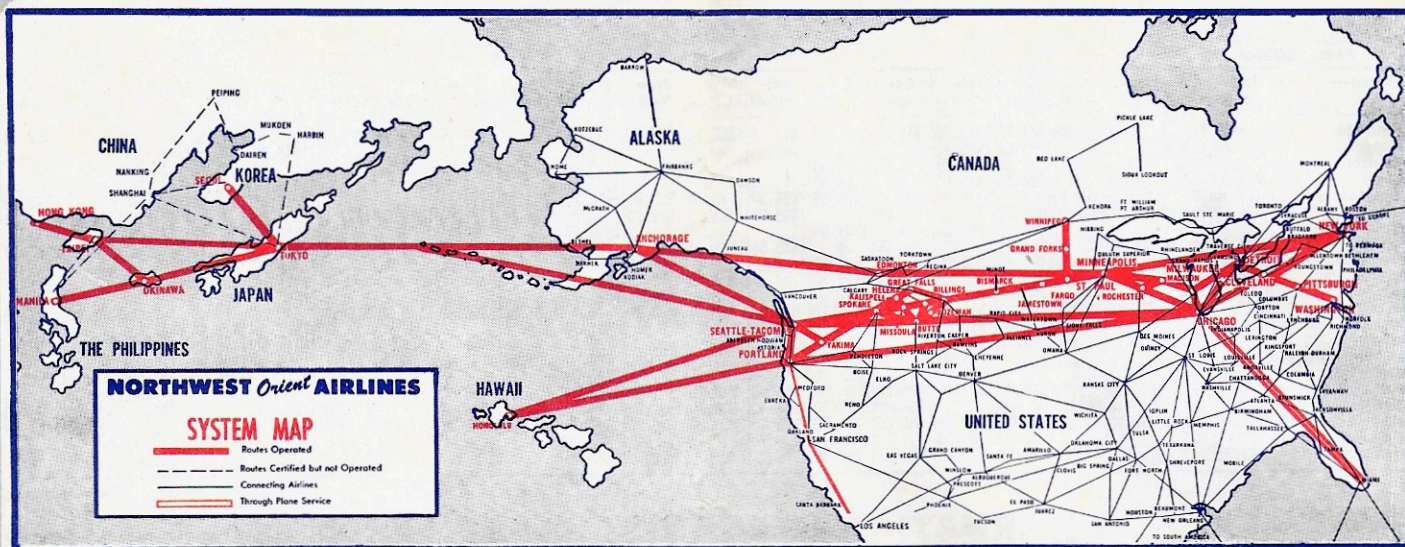

1. **RECONFIRMATION:** All scheduled airlines operating within the continental U. S. and Canada will cancel your reservation unless you reconfirm. You must reconfirm if you hold a reservation on a return or continuing flight scheduled to leave on a date other than the date of your arrival in that city and when there are 12 hours or more between your planned arrival and the scheduled departure of confirmed flight. Simply inform the airline at the city where you are boarding your flight, of your intention

to use your reservation. Do this on arrival or at your earliest convenience, but at least 6 hours before the scheduled departure of your flight.

2. **NO-SHOW PENALTY:** All scheduled U. S. airlines operating within the continental U. S. and Canada will enforce a No-Show Penalty. If you hold a reservation and have purchased your ticket, but fail to use or cancel your seat, you will be considered a "no-show" and you will be required to pay a \$3.00 penalty.
