GENERAL INFORMATION

AGRICULTURAL RESTRICTIONS: Importation into the United States of plant pests, plants, plant products, meats, and most products, certain animals and animal products contrary to requirements under the U.S. agricultural laws is a federal offense. Such articles are also subject to seizure and destruction. Consult the U.S. Department of Agriculture or the nearest U.S. Foreign Office overseas for details.

AIR TAXI SERVICE: This service to off-line points is available at many cities served by NWA.

BAGGAGE includes all checked luggage and other articles carried by the passenger including briefcases, cameras, cosmetic cases, etc. The domestic maximum free baggage allowance is two checked pieces of luggage and one unchecked bag retained in the passenger's custody and capable of being stowed under the passenger's seat. Government safety regulations issued by the F.A.A. limit carry-on baggage and related personal belongings to items that can be stowed under the passenger's seat. Exempt from these regulations are a lady's pocketbook or handbag, cameras, binoculars and a reasonable amount of personal clothing and reading material. In terms of size this means that carry-on baggage must be limited to a briefcase, attache case, woman's cosmetic case, or any item that does not exceed the size of 22"x14"x9". Carry-on garment bags will be limited to those which contain no more than two garments or of an equivalent size.

Items not meeting the physical dimensions for under-seat stowage can be accommodated in the heated, pressurized and ventilated cargo compartment of the aircraft, subject to tariff regulations.

The international free baggage allowance is 66 pounds for first class and 44 pounds for economy class. Contact your Northwest office for details on the acceptable maximum size of baggage and for excess baggage rates.

LIABILITY for baggage will not exceed \$500 when transportation is between points in the Continental U.S. or between such points and Canada, Alaska, or Hawaii; and \$16.50 per kilogram on international journeys. A higher valuation may be declared for an additional charge. Claims must be filed within 45 days.

CAR RENTAL SERVICE: Automobiles are available for rental at practically all cities served by Northwest. When making your reservation, you may request your Northwest agent to arrange that a car be waiting for you on arrival.

CHECK-IN TIME: Passengers are requested to be at airport boarding gate at least 20 minutes before scheduled departure of domestic flights and at least 40 minutes before departure of international flights. Passengers arriving at boarding gate less than 10 minutes before scheduled departure time will be refused passage if boarding will delay flight.

CHILDREN'S FARES: (a) One child under 2 years, not occupying a seat and accompanied by a full-fare passenger, will be carried free on services within the U.S. and Canada, or to Alaska. On services to Hawaii or the Orient, 10% of the adult fare is charged. (b) Children under 2 years occupying a seat, and children under 12 years, when accompanied, are charged 50% of the adult fare. (c) Unless prior arrangement is made, children under 8 years must be accompanied by an adult. (d) Children between 12 to 22 years may be entitled to a discount if traveling under Family Plan.

SPECIAL FARES: For military, youth, groups and for excursion travel are available between many points on NWA's domestic and international routes. Contact your Northwest office for details.

FAMILY PLAN: First Class and Tourist Family Plan discounts are available from most Northwest cities in Continental U.S.A. and Canada for spouse and children of head of family purchasing one-way full fare tickets on NWA. For amount of discount and applicable days of the week, consult your Travel Agent or Northwest Airlines' office.

GROUND TRANSPORTATION: In all cities served, Northwest has arranged with independent operators for transportation at reasonable rates between downtown areas and the airports. See the listing of NWA offices in this folder for fares and pickup times.

SCHEDULED HELICOPTER SERVICE is available at New York/Newark, Los Angeles and San Francisco and from many points in their respective Metropolitan areas. Contact your Northwest office for fares.

HOTEL RESERVATIONS: Your Northwest agent will be happy to assist you in making hotel reservations at any city on our international system.

INCLUSIVE TOURS: All-expense Northwest Air Vacations are available to many domestic and international cities. Consult any Northwest office or your travel agent for complete details.

PETS: Suitably confined pets may be carried in the cargo compartment on 320, 720B, 727, Jet-Prop and freighter flights. Contact your Northwest office for arrangements.

RECONFIRMATION: We suggest that you call the reservations office at the boarding point of every return or continuing flight and leave your local telephone number. Reservations not reconfirmed, where required, are subject to cancellation. Reconfirmation is required for return or continuing reservations on Northwest flights from Florida, Anchorage to the U.S. and from New York, Chicago or Seattle to Anchorage. Call your Northwest Orient Reservations office at least 6 hours prior to departure in Florida, New York, Chicago, Seattle and Anchorage. In many countries reconfirmation is required 72 hours prior to departure.

RESERVATIONS: You may obtain reservations for any flight by telephoning, wiring, or writing any Northwest Orient Airlines office, a travel agent, or hotel transportation desk. Reservations are tentative until tickets are purchased. If your plans change, please cancel your reservation as far in advance as possible so that other passengers can be accommodated.

RESPONSIBILITY FOR DEPARTURES, ARRIVALS, AND CONNECTIONS: Northwest is not responsible for failure of aircraft to depart or arrive on scheduled time, or failure to make connections with other flights.

SCHEDULES AND FARES: All schedules and fares are subject to change without notice, and Northwest is not responsible for errors therein.

STOPOVERS: You may stopover at any city enroute, provided your reservation is made accordingly. For stopovers between cities within the U.S., the combination of fares over the stopover points would apply. International stopovers may be made at no additional cost for fares published in this timetable.

TRAVEL DOCUMENTS: For international travel, you must possess valid passports, visas, certificates, or other documents as required by the countries involved. You may obtain specific information from any Northwest office.
