## Golden Circle Service

**Gracious pampering around two worlds**

Know the acme of en route pleasure. Book KLM's GOLDEN CIRCLE SERVICE — the luxury link between the East and the West. Tailor-made schedules... choice of two wholly different gourmet menus... straight-from-the-heart attention.

KLM's Golden Circle Service, combining the smooth short Polar Route with the familiar South-East-Asia Route, offers a new, high standard of service. The fare? Not a penny extra! Whatever stretch of the Circle you fly you'll enjoy that golden touch of gala —

**to KLM you're more than a passenger... you're a person.**

*First and Tourist Class lounge seats available. Full length beds, at slight extra cost, for First Class reservations on Polar Flights.*

Valid from  
**1 November 1959**  
 until inclusive  
**31 March 1960**

Subject to alterations without  
 previous notice

## Information for passengers

As it is practically impossible to mention all fares, schedules, facilities and conditions of carriage in this time table, only the most important information is given here. The booking offices and travel agencies as well as the KLM offices will supply you with full information.

**CONDITIONS OF CARRIAGE.** All transportation by KLM is subject to KLM's General Conditions of Carriage, which are filed in the registry of the District Court at The Hague and may be inspected at any of KLM's agencies or offices.

**LIABILITY FOR DELAY AND ERRORS.** KLM does not accept any liability for any damage suffered by passengers because of delay in the flight or failure to execute all or part of a flight. Nor does KLM accept any liability for errors which in spite of every precaution, may occur in the time table or in the fares stated.

**ALTERATIONS** in the conditions of carriage, the fares and schedules of aircraft and coaches and the types of aircraft may be made without previous notice to passengers. It is therefore advisable to obtain confirmation of times and fares at least 48 hours prior to departure. This may save much inconvenience for both you and KLM.

**DOCUMENTS.** It is the responsibility of the passenger to see to it that all documents (passports, visas, certificates of health, etc.) are in order. The agencies and KLM offices will supply all information which they have available, but KLM does not accept any responsibility for its accuracy. The airlines reserve the right to refuse carriage to passengers whose documents are not in order.

**RESERVATIONS.** In order to avoid disappointment it is advisable to make your reservations as early as possible preferably for the return journey as well. Passengers should confirm their intention to use onward or return reservations as soon as possible after arrival at stopover points or destination. Any reservations which passengers are unable to use, should be duly cancelled. If you wish to make a break in your journey at those places where KLM makes a commercial landing, then this is nearly always possible without extra charges, provided notice has been given beforehand when reserving your seat.

**PAYMENT** of tickets, excess baggage charges, freight etc. must be made in accordance with the currency regulations of the countries in question. The bus fares to and from the airports are seldom, and local taxes never, included in the fares; these costs are to be paid in local currency.

**TIME OF REPORTING.** As several official formalities have to be completed before the departure of each aircraft, all passengers must report to the passage department some time prior to departure. This time is indicated on your ticket. We request you to observe this time of reporting as the aircraft cannot be kept waiting without great inconvenience to the other passengers. This also applies to the connecting coach services.

**FARES.** The fares published by KLM are applicable to journeys from the airport of departure to the airport of destination along the route(s) and in the class(es) indicated by KLM and on the services of KLM or of the companies indicated. The fare effective at the time of commencement of the journey is applicable.

**REDUCTIONS.** If the relative conditions are complied with, in certain cases reductions are granted on the fares, e.g.:

**Round-Trips and Circle-Trips.** As a rule the reduction for these trips is 10% of the single fares, even if the journey is made in different classes this reduction is granted.

**Children under 12 years of age.** For a child under 2 years of age 10% of the applicable fare is paid. For children who have reached their 2nd birthday, but have not yet reached their 12th birthday, 50% of the applicable fare must be charged. For children travelling alone different fares and regulations are applicable.

**Schoolgoing children and students** who have reached their 12th but not their 26th birthday are granted a reduction of 25% on the round-trip fares for certain journeys.

**Family Fares.** Considerably reduced one-way and round-trip fares are in force from October 15 to March 31 for family travel via all North and Mid-Atlantic services under the "Family Plan".

**Emigrants.** Considerably reduced fares are applicable to emigrants originating from Europe and travelling to the United States and Canada between October 15 and June 30.

**BAGGAGE.** Passengers who have paid the tourist or economy fare are allowed 20 kilos free baggage; in the "de-luxe" or first class the free baggage allowance is 30 kilos. There are special rates for unaccompanied baggage. The charges for excess baggage per kilo amount to 1% of the first class one-way fare.

**MEALS, REFRESHMENTS AND HOTEL ACCOMMODATION.** All meals and refreshments on board are served free of charge by KLM; in the economy class and the tourist class non-alcoholic drinks are served. In the first class alcoholic drinks and cigarettes are offered free of charge. In the economy class cold meals are served.

At points along your route, where you have to make nightstops or change planes, the airlines may under special conditions take charges for meals and hotel accommodation for their account.

**GRATUITIES.** KLM personnel are not allowed to accept gratuities.

**London—Amsterdam**

(Operated in pool by KLM and BEA)

Passengers who are reporting direct to the Airport are asked to take particular note that KLM- and Air Ceylon flights depart from LONDON AIRPORT NORTH, while BEA flights will depart from LONDON AIRPORT CENTRAL. Because of the distance between these two reporting points, passengers who do not proceed to the correct area may miss being in time for their flights.

**Charges on Airport Coaches**

Reduced fares for children

Passengers travelling by Airlines' coaches are now required to pay for their transportation between city terminals and airports throughout Europe and America. Charges (which include passengers' baggage) vary according to distance. In the United Kingdom and Ireland these charges are as follows:

Between London and London Airport . . . . .	5/— single
Between Manchester and Manchester Airport . . . . .	4/— single
Between Glasgow and Prestwick Airport . . . . .	8/6 single
Between Dublin and Dublin Airport . . . . .	2/— single

## FLY KLM'S DAYLIGHT SERVICE TO NEW YORK

You can fly to New York in sunlit comfort, and arrive while the evening is still young. Smooth, ultra-modern DC-7 C's wing you across the North Atlantic from Amsterdam. Connecting flights both to Amsterdam and in the U.S.A. have been planned to save precious time.

Next time you travel to New York, enjoy the convenience of KLM's Daylight flights — and the extra features that have been added to make your journey seem even shorter than it is.

FOR EXPLANATION OF SYMBOLS SEE PAGE 3

## Reconfirmation of reservations.

All airlines united in the International Air Transport Association (IATA) have adopted a reconfirmation requirement for certain areas. Reconfirmation means advising the airline whether or not you intend to maintain your reservations.

Reconfirmation is obligatory:

- when your itinerary provides for a stay of more than 72 hours in the area comprising the United Kingdom, Ireland, Continental Europe and Israel and you hold a return or onward reservation Westbound across the North Atlantic, or
- when your itinerary provides for a stay of more than 72 hours in the area comprising Continental United States (excluding Alaska) and Canada and you hold a return or onward reservation to a point outside this area.

Notice of reconfirmation for such return or onward travel must reach the airline on whose flight you will depart from the areas defined above at least 72 hours prior to departure of that flight.

Reconfirmation can be effected by getting in touch by telephone, letter or wire with an office of this airline, located in the area where you will board your return or onward flight. Failure to comply with this reconfirmation rule may result in the cancellation of the reservations concerned and all subsequent reservations you are holding on IATA airlines.

**KLM SERVING ALL CONTINENTS**

## FLY KLM'S MAGIC TRIANGLE AT NO EXTRA COST

**KLM offers excellent connections between  
Amsterdam and the Caribbean,  
via New York and via Lisbon**

*You can combine both routes in your  
round trip for an attractive change!*

a new high standard  
of service in air travel

KLM's

Golden Circle Service

Here is a new way you can recognize the finest in air travel - the shining ring of KLM's Golden Circle Service. It links Europe with the Far East by the smooth short Polar Route and the familiar South-East-Asian route, with stops in all the most important cities.

## KLM PRESENTS

### The Douglas DC-8 Intercontinental Jet

Soon you'll enjoy the fastest, smoothest jet flight ever... on KLM's giant new DC-8. And here is new passenger comfort, too. Non-stop across the Atlantic. No vibration, no noise. Spacious seats and wide, wide aisles. Interior decor by Raymond Loewy. Personal service by KLM!

### and the Lockheed Prop-Jet Electra

The speed and comfort of Electra-flight is yours on KLM from mid-December. The four-engine prop-jet Electra is the ideal airplane for jet age city-to-city travel. You enjoy swift, smooth, high above the weather flying, in pleasant, spacious surroundings.
