the "other season" on a sunny beach

best weather for Taj Mahal seeing — "other season"

WHAT'S "IN" ABOUT THE "OTHER SEASON"?

The "other season" is the time, October through March each year, when the crowds stay home and the people who travel for pleasure have the space to enjoy themselves. The "other season" is a very exclusive time to travel.

THE BEST OF THE "OTHER SEASON"

Weather-wise, the "other season" is really the only time to visit many parts of the world. In tropic lands the "other season" will be the dry season. In desert countries the "other season" is the cool one.

Most everywhere, you'll get the attention you so richly deserve, from shopkeepers and waiters and officials. You'll be able to book hotel rooms and concert tickets a day — instead of weeks — in advance. You can travel without tantrums (yours or anybody else's) when you go during the "other season".

Does your heart yearn for the chic spots? Then the other season is the time to ski in high mountains, bathe along Caribbean beaches. Buy newest couture as spring showings hit the headlines.

THE "OTHER SEASON" IS THE TIME TO DO BUSINESS

No serious businessman travels during the high season months if he can help it. No indeed! He makes his appointments in the "other season". When holidays are over and commerce is in full swing again.

Fly with us this year, in the "other season". We'll have space for you on our aircraft. And a welcome that's as warm in winter as it is all year round.

FREIGHT SERVICES 50, 52

ON BOTH SIDES OF THE ATLANTIC
\$ 5-A-DAY BUYS A WHOPPING BARGAIN
in nine US cities and 30 European cities

IN NEW YORK

accommodations in a good hotel, double room with bath. Plus hotel taxes, a guide book to New York, a copy of Arthur Frommer's "New York on \$ 5-a-day". And **discount coupons** to New York attractions worth at least \$ 40.00. If you use the program for at least three days, we'll throw in a free sightseeing tour, too. You could hardly do better on your own. And anyway, KLM guarantees all its arrangements. What we sell is worth the price. Other US \$ 5-a-Day arrangements include stays in eight US cities.

IN EUROPE

accommodations in a good hotel, breakfast for each night's stay. Absolutely fabulous sightseeing. In ten of the 30 cities the bargain includes **unlimited sightseeing**. You can take any of several tours as often as you want!

If you'll be in Europe and the USA this year, better look into the \$ 5-a-Day programme. Your travel agent knows all about it. So does KLM.

SNOW GOT YOU DOWN? THE CARIBBEAN NEVER HAS ANY

Come with us to carefree country

The Antilles islands of Curacao, Aruba, Bonaire, St. Martin, Saba and St. Eustatius. Climate hardly varies all year long, it's always warm, never hot. Sun every day. Beaches are white, the sea is blue. Casinos abound. So do splendid restaurants and hidden pirate coves and fish for sportsmen. Nights, you can dance under tropic skies. Most shopping is duty-free, prices are all cut-rate.

The only decision you'll have to make in the Caribbean is to stay longer. The only time you ought to hurry is now — to your travel agent's for a KLM ticket.

KLM flies to the Caribbean from New York and from Europe. In the Caribbean ALM Dutch Antillean Airlines serves 13 destinations.

More people fly the Mid-Atlantic with these three partners than with any other airline or group of airlines. Why? The partners offer more. More destinations to start from — 9 in Europe, 10 in Central and South America. And more flights to choose from — 11 a week this winter. Every single flight by DC-8 jet. Look at it this way: Flying with the Partners, the “when” is up to you. We have at least one flight going every day.

OVER THE POLE BETWEEN TOKYO AND AMSTERDAM

4 reasons why KLM flights are relaxing

1. We depart from Tokyo and from Amsterdam in the evening. So, on board, you can drop off to sleep at a sensible bedtime hour.

2. Most intra-European flights connect with our Polar flights. Chances are you won't have more than 45 minutes on the ground in Amsterdam (what you get with any airline during any transit stop).

3. If you start in Amsterdam, please note: KLM is the only airline that doesn't hippity-hop in Europe before it heads for Tokyo. We start in Amsterdam and we don't stop again until we're over the Pole. (We stop for gas in Anchorage. All the airlines do.)

4. One of the stewardesses on your Polar flight will be Japanese. She knows all about Japan and the Japanese delicacies we serve on board. And if Japanese is the language you like best of all to speak, she'll talk to you in it.

PLAIN TRUTH

Every year KLM publishes a fresh series of pamphlets called "Handy Facts for Travellers". This year's folders cover 102 countries. They're full of plain but useful information. No superlatives. Just clear data on currency, climate, clothing, holidays and business hours, shopping, hotels and restaurants, sights and local attractions. Most give additional information — like what the electric current is and whether you'll need a driver's licence. Helpful reading. We ran off a million and a half copies this year. Want some? Ask. They're free.

IN A WAY, WE'RE ALL THINGS TO ALL PEOPLE

Travellers know us as the world's most reliable airline. Cargo men vote our service tops. Experts place us among the world's four greatest international airlines. People in a hurry know we're punctual. People who look behind the scenes know we're careful to the point of fussiness. Other airlines have us maintain their planes and train their crews because they know we'll never let our standards slip. We offer helping hands to strangers in 66 countries. We plan top tours for tourists.

Adds up to a responsibility we've been proud to bear for nigh on half a century.

**THE DC-8 JET FREIGHTER
KLM'S GIANT CARGO-HURRIER**

This is the plane that speeds jet cargo over oceans and continents. Almost as fast as the speed of sound. High above rude weather. It can carry up to 36 tons of goods. It's fully palletized. It's a great plane for moving goods fast.

(If we won't have a KLM jet freighter going where you want your things to go, don't worry: One of our other scheduled flights probably will be just what you want — and all our planes carry freight. To 96 key world cities.)
