COAST TO COAST
on REPUBLIC

Republic Airlines has acquired Hughes Airwest. And quite simply, that means we're now joining all of America together. East Coast to West, Canada to Mexico and the Caribbean... we fly to more cities than any other U.S. airline.

Republic has carried millions of passengers billions of miles during the past 30 years. And now travelers in the West can discover the same dependable, thoughtful service.

You get single-airline service to more cities right now. So you can enjoy the convenience of flying the same airline all the way. As time goes by, we'll be improving our schedules... with more nonstops and more single-plane service. So as we change, you change planes less.

JOINING MORE OF AMERICA THAN ANY OTHER AIRLINE.

Obviously, these changes won't take place overnight. But change they will.

In the meantime, you may still see hints of Hughes Airwest. A yellow plane, a sign, an old ticket jacket. It's a big job changing one airline into another. It takes time. You know what it's like to paint a house or even a room. Well, try a fleet of airplanes for size!

Just keep in mind, from now on whenever you do see the name Hughes Airwest, you're actually looking at Republic Airlines.

The next time you're headed our way, join us on Republic. We can show you America from coast-to-coast... and a lot of places in between.

Just call your travel agent and say you want to fly Republic Airlines. Or call Republic any time.
