THE EASIEST
BUSINESS
CONNECTIONS
ON REPUBLIC.**

At Republic, we've built one of the biggest route systems in the world using some of the country's *least* congested airports instead of using the busiest ones.

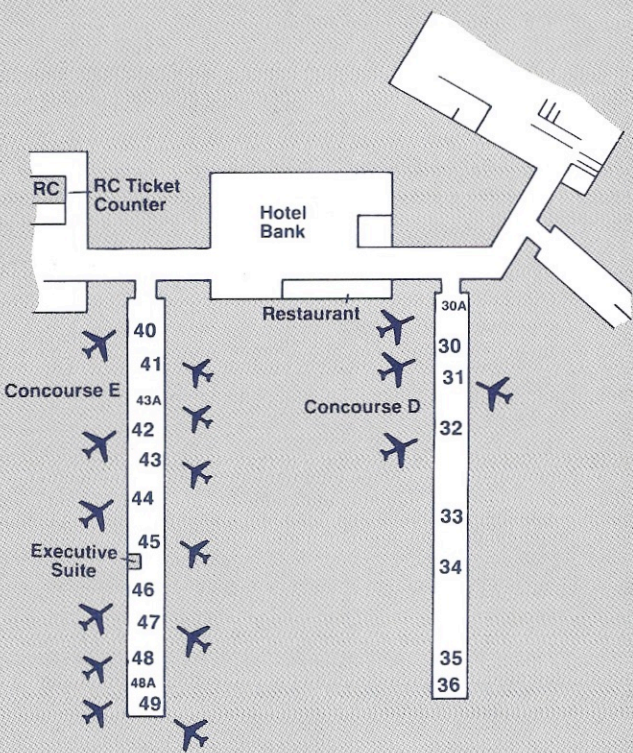

Sure, we can fly you to all the nation's leading business centers. But we fly you through hassle free Detroit, Memphis and Minneapolis/St. Paul; instead of Chicago, Dallas/Ft. Worth and Atlanta where congestion and crowds can make connections a hassle.

When you fly Republic, you not only avoid the crowds, you get where you're going on schedule and with a lot less frustration. And that's got to be one of the best perks of all.

FREQUENT FLYERS: The mileage printed adjacent to the city pairs in this timetable reflects direct mileages. To calculate the mileage for connecting flights, add the direct mileage for each segment of your trip. Note: For Regional Carrier connections, the printed mileage may be approximate.
