

Republic Express SF340
designed with you in mind!

Republic Express...

Lots of wardrobe space for carry-on luggage.

Biggest standard seat in the business.

Full-size lavatory.

Full in-flight beverage service.

Modern, up-to-date cockpit.

When Republic Express ordered the new-technology SF340, it reviewed this already excellent aircraft to make sure it met all the stringent requirements of its discerning passengers. It's 'big-jet' facilities, which include full pressurisation and six feet stand-up headroom with ample overhead, closet and underseat baggage stowage, were further enhanced to provide a new dimension in comfort for regional airline passengers throughout the southern and upper mid-western United States.

Fly Republic Express – smart connections from Memphis and Minneapolis to wherever you like!
