ROYAL DUTCH AIRLINES

TWICE WEEKLY

WEDNESDAY AND SATURDAY

AMSTERDAM—BATAVIA

WINTER SERVICE

NOVEMBER 2nd 1935 — APRIL 29th 1936

TRANSPORT CONDITIONS

The transport of passengers, luggage and goods takes place under the general "Conditions of Carriage of Passengers' Baggage and Goods" based on the Varsovia Convention of 12—10—'29. These conditions can be reviewed at each port of embarkation, and an extract of these conditions can also be found inside the cover of every air ticket issued by the Company.

FOR PASSENGERS

DEPARTURE. — Planes leave both Batavia and Amsterdam every Wednesday and Saturday. During the winter the scheduled time for the whole journey is 6½ days for the eastbound trip and 5½ day westbound.

TRAVELLING CONVENIENCES. — Each passenger has a large comfortable lounge chair, which is adjustable. Several halts are made daily for refuelling purposes. Passengers then have the time for meals which the Company has previously had arranged for them. The cabin is scientifically ventilated and the temperature inside can be altered to suit travellers' wishes. There is a well fitted lavatory on every plane. Smoking in the plane is strictly prohibited.

RESTRICTED BOOKINGS. — The Company are unable to accept bookings for the section Amsterdam—Marseilles only, or for Marseilles—Rome—Athens only. Passengers are not allowed to embark or disembark at the airport of Merza Matruh, Egypt. Also bookings for flights beginning and ending between the airports of Rangoon and Karachi, are not acceptable.

For the routes operated also by the K.N.I.L.M. in the Netherlands East Indies special transport conditions for passengers are in force.

FARES. — All fares are inclusive of hotel accommodation, all meals and transport to and from the aerodromes.

CHILDREN. — If a separate seat is not required, children up to 3 years of age are carried at 10 % of the fare. Children between 3 and 7 years of age, or children under 2

3 years occupying a separate seat, are carried at half the fare. No allowance for luggage is made for children.

RETURN TICKETS. — If taken in advance, return tickets are issued at a reduction equivalent to 20 % of the single fare, for the homeward journey. A reduction of 10 % is allowed on the section flown for the second time on the homeward journey, provided the passenger returns within a year.

VALIDITY. — Return tickets are valid for 12 months.

BREAKING THE JOURNEY. — Each stage of an interrupted journey must be paid for separately.

BOOKINGS. — As the number of seats in a plane are limited the Company reserve the right to withhold the acceptance of a booking for a section only of the route, until a few days before departure of the plane. As soon as a definite reservation has been made, 25 % of the fare must be deposited.

CANCELLATIONS. — In accordance with international regulations the following cancellation fees are payable: up to 14 days before departure 10 % of the fare; from 14 days to 48 hours before departure 25% of the fare; less than 48 hours before departure 100 % of the fare. Telegram costs incurred in cancelling, are to be borne by the passenger.

LUGGAGE. — Every passenger is allowed 20 K.G. (45 lbs.) of luggage free of charge. Half the freight rate is charged for luggage weighing from 20 to 40 K.G. and the full freight rate for luggage above 40 K.G. Passengers are only guaranteed the carriage of 20 K.G.

If consulted in good time the K.L.M. can make arrangements for the despatch of luggage by steamer at special rates. Every passenger is supplied by the company with 2 specially light suit-cases, which can be attached under and behind the chairs, so that they are at hand throughout the journey. These suit-cases remain the property of the passenger.

HOTELS. — Excellent hotel accommodation, at the charge of the K.L.M., is provided for the passengers at the end of each day's flight.

ACCOMMODATION AND MEALS. — All meals and accommodation as well as tips are included in the fare. Drinks in the hotels, however, will be charged to the passenger. The K.L.M. have made arrangements for the immediate conveyance of the passengers to the hotel after arrival.

INSURANCE. — The K.L.M. or their agents will always be pleased to offer their services in the effecting of insurances.

MONEY. — Since all costs incurred en route are included in the fare, the amount of money in different currencies to be taken, is reduced to a minimum. English pounds can be changed by the agents and at the hotels.

PASSPORTS. — Against payment of the costs incurred, the K.L.M. or their agents are pleased to render assistance in matters connected with passports. The Company cannot accept any responsibility for difficulties experienced by passengers en route, owing to any incompleteness, inaccuracy or invalidity of their papers.

CERTIFICATE OF HEALTH. — Various countries along the route require a certificate reading as follows: „I hereby declare that born at is not suffering from any contagious disease and has recently been vaccinated against small-pox." The document must bear the legalized signature of a doctor.

CAMERAS. — As in nearly all the countries along the route it is forbidden to take photographs or films from the air or on the ground, it is advisable either to have all cameras or film apparatus sealed before starting the journey, or else to have them stored in the luggage-hold.

CONNECTIONS. — The following services connect with this air line: Cairo—Capetown by Imp. Airways; Baghdad—Damascus by Air France; Karachi—Bombay—Madras by Tata Air Lines; Bangkok—Saigon and Hanoi by Air France; within the Netherlands Indies; all the lines of the K.N.I.L.M.; Sourabaya—Australia by Qantas Empire Airways. At Singapore, Batavia and Sourabaya there are also good steamer connections to and from China, Japan, The Philippines, etc.

MAIL TRANSPORT

The K.L.M. Amsterdam—Batavia air line offers an exceedingly fast means for despatch of mail to Greece, Egypt, Palestine, Syria, Iraq, Iran, British-India, Burma, Siam, Indo-China, The Malay States, China, Japan, the Philippines, the Netherlands Indies, and further destinations. Letters must be clearly marked "by K.L.M. Airmail Amsterdam—Batavia" and a blue airmail label bearing the words „par avion/by airmail" should be attached. In addition to the ordinary postage there is a special airmail charge, details of which will be found in the airmail service folders. Letters should be at Amsterdam on Tuesday and Friday evenings. The time of posting can be ascertained at all post offices.

FREIGHT TRANSPORT

Goods which cannot be sent as air parcel mail can be accepted as K.L.M. freight which must be sent carriage prepaid.

FREIGHT RATES. — With a minimum of one K.G., freight will be charged per 500 grams.

For transit carriage through Iraq an extra charge of 1/10 % of the value is made, with a minimum of 2 sh., plus 2 sh. stamp-duty.

BULKY PARCELS. — These are charged for according to dimension, not weight. A charge equivalent to the freight tariff of 1 K.G. is made per 10 dm³.

DOCUMENTS. — For a moderate remuneration the K.L.M. and their agents see to the drawing up of the necessary documents. A copy of the invoice is required for quick customs clearing.

GOODS FOR PAYMENT ON DELIVERY. — These can be accepted by special arrangement with the K.L.M.

INSURANCE. — The K.L.M. and their agents can insure goods at a low premium for the whole period of transport.
