- Schedules are subject to change without notice and times shown in Simmons' timetables or elsewhere are not guaranteed.
- Amenities such as hotel accommodations, meals, phone calls, and ground transportation are not provided at Simmons' expense when a flight is delayed, cancelled or the passenger misconnects. If a flight is diverted to a point not shown on the passenger's ticket, amenities are provided by Simmons when warranted.
- A service charge may be deducted from the actual value of any unused or lost ticket presented to Simmons for refund.

## NOTICE - OVERBOOKING OF FLIGHTS

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for payment of compensation and Simmons Airlines' boarding priorities are available at all Simmons ticket counter and boarding locations. **EXCEPTION:** The passenger will not be eligible for compensation if the denied boarding is the result of an equipment change of lesser capacity when required by operational or safety reasons.

## BAGGAGE

**BAGGAGE ALLOWANCE:** For each passenger the maximum free checked baggage allowance is three pieces with the total weight not exceeding 70 pounds. Linear dimensions (length + height + width) not to exceed 62 inches for the first piece, 55 inches for the second piece, and 45 inches for the third piece. Baggage exceeding the free allowance will be assessed excess baggage charges and forwarded on the next available flight.

**CARRY-ON BAGGAGE:** Carry-on articles such as briefcases, hat boxes, musical instruments, etc., must be limited to a size that can be placed under the seat. Items not meeting this size limitation must be checked as cargo baggage.

**DO NOT CHECK:** Cash, jewelry, important papers, liquids, fragile articles, cameras, vital medication, or car keys.

**IDENTIFICATION:** Passenger identification must be placed on the outside of all checked baggage. Self-adhesive labels are available from your Simmons ticket agent at no cost.

**LIABILITY:** Maximum baggage liability per fare-paying passenger is \$1,250.00, unless valuation is declared and paid for prior to trip departure. Simmons Airlines assumes no responsibility or liability for baggage carried in the passengers' compartment of the aircraft. Special rules limiting liability apply to valuables (jewelry, cash, camera equipment) and to fragile or perishable articles.

## HAZARDOUS MATERIALS

Federal regulations restrict carriage on aircraft of items classified as hazardous materials. These materials include but are not limited to flammable gases, liquids and solids; non-flammable compressed gas; explosives; poisons; corrosives; oxidizing materials; radioactive materials; etiologic agents and magnetic materials. These materials and other may not be included in carry-on baggage. Violators are subject to substantial fines. Further information is available upon request.
