TWO WAYS TO SHIP

SMALL PACKAGES

On priority shipments of small packages weighing less than 50 pounds, Big Sky now offers you guaranteed 'Pony Express' service. The package must total not more than 90 inches in height, length and width, with no dimension greater than 48 inches. "Pony Express" shipments are guaranteed to travel on the flight you specify if the package is brought to the ticket counter at least 30 minutes prior to the flight departure time. This is the best means by which you can ship priority goods on our system and is available to you at a cost of \$40.

For those important small packages such as legal briefs, letters or other small shipments, Big Sky has introduced a new "SSP" (Super Small Package) service. This service is provided only within Big Sky Airlines' system. To qualify for the \$15 "SSP" shipment, a package must weigh not more than 10 pounds or total more than 50 inches in height, length and width with no dimension greater than 25 inches. "SSP" shipments are boarded on a space-available basis.

Passenger Information

Check-in Times for Flights—In the interest of on-time service to all passengers, Big Sky Airlines requests that passengers be at the airport counter 20 minutes prior to published departure time. Reservations not claimed ten minutes prior to scheduled flights are subject to cancellation.

Re-confirmation—Please re-confirm your reservation after a stopover of more than 12 hours. Re-confirmation is necessary at least 6 hours before departure in order to assure your reservations.

Baggage—The maximum free baggage allowance for a fare paying passenger will be three (3) pieces, total weight not to exceed 50 lbs. and the following dimension:

- 1st piece — 62 dimensional inches (length + width + height)
- 2nd piece — 55 dimensional inches (length + width + height)
- 3rd piece — 45 dimensional inches (length + width + height)

The 3rd piece may be checked or carried on board the aircraft, provided however the bag does not exceed the maximum dimensional limit of 45 inches, and is included in the maximum weight allowance of 50 lbs. **Military Personnel** may check one (1) duffel, sea or B-4 bag in lieu of the 1st and 2nd piece. **Sporting Equipment** — Skis, golf bag, etc. are included in the per piece rules (except bicycles). **Excess Baggage Charges** — When the size, weight or number of pieces exceed Big Sky Airlines maximum allowance, excess charges of \$6.00 per bag will apply.

RESTRICTED ARTICLES — Articles such as flammable liquids, corrosives, acids, compressed gasses, matches or other hazardous articles must not be placed in baggage. (In addition, Federal Aviation Regulations limit the carriage of compressed gasses in aerosol cans, such as hair sprays, shaving cream, and deodorants, to 32 ounces per passenger with a maximum of 16 ounces per container.) "Visible Fluid" lighters may not be used on board aircraft. AM and FM radios, TV receivers and other electronic devices must not be used on board aircraft in order to avoid disturbance of the aircraft's electronic navigational equipment. Portable electronic devices such as voice recorders, hearing aids, heart pacemakers and electric shavers will be permitted.

Responsibility for Departures, Arrivals, Connections — Big Sky Airlines will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines or of this company. Safety is our primary consideration. Schedule times published include allowances for variations in wind direction and velocity, planned ground movement of the aircraft between runway and gates and similar factors to assure gate arrivals within 15 minutes of published schedule more than 75% of the time. Schedules do not allow for abnormal air traffic and ground delays which cannot be forecast in advance.
