# One thing *YOU* can do to help win the war...

Here's what we are doing:

With a number of our planes gone to war under the army's command, we are carrying on the best we can with limited equipment, maintaining as many flights as possible. . . .

We are moving by air many tons of army supplies and materials for war industries. . . .

We are saving priceless hours for thousands of "priority" passengers—people for whom it is literally a life and death matter, for somebody, that they do their jobs with all possible speed. . . .

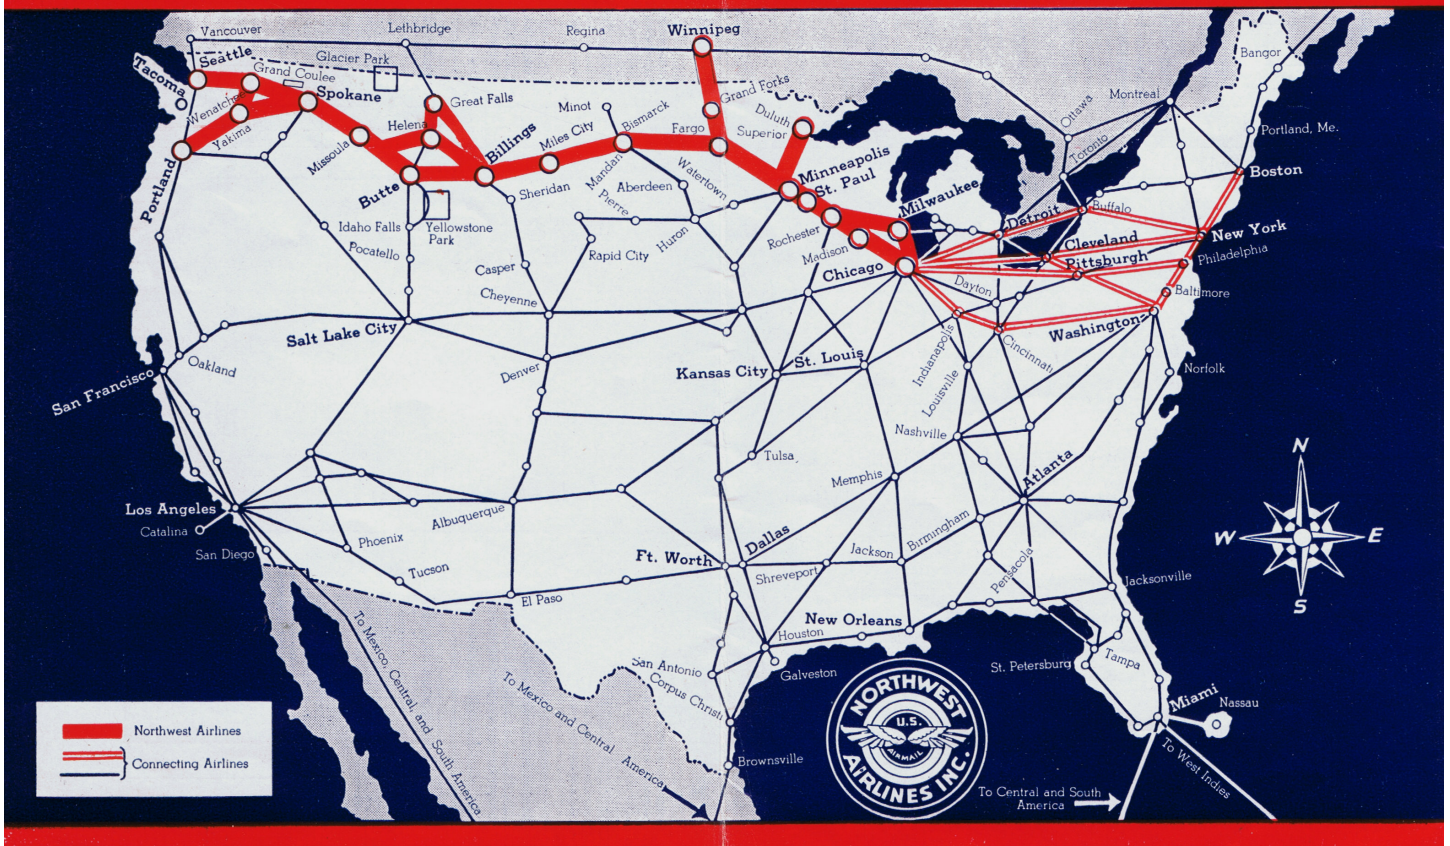

Still a portion of our seats are available to "non-priority" travelers.

To best serve our country we must make the best possible use of our facilities. Here's how you can help.

**If you hold tickets or reservations for a flight you are not going to make, cancel at the earliest possible moment. Give the other fellow a chance to go.**

We know that you will cooperate with us.

CROIL HUNTER, *President*
