

NORTH CENTRAL AIRLINES

SWAN
WILSON

Advice to International Passengers on Limitation of Liability . . .

... a journey involving an ultimate
... the

For better service we make the following suggestions

Make your reservation as far in advance as possible.

Please check in at the ticket counter at least 20 minutes before flight time. Reservations are subject to cancellation unless you present yourself at the ticket lifting point at least 10 minutes prior to scheduled departure time.

Please re-confirm reservations at the city where you will board at least 6 hours prior to scheduled departure, after a stopover of twelve hours or more.

Give airline personnel at the station you expect to board a phone number where you can be reached.

Please cancel your reservation promptly if your plans change or it is evident you will be too late for the flight.

Reserve your Rental Car in advance.

Carry-on Baggage Regulations

Carry-on articles such as briefcases, hat boxes, musical instruments, etc., must be limited in size so they can be placed under the seat. Items not meeting this size limitation must be checked as baggage.

North Central Airlines and National Car Rental System, Inc., by special arrangement with artist Sherman Pehrson, are proud to offer this series of six outstanding wildlife portraits featured on the North Central Airlines ticket envelope covers. All are beautifully lithographed on a heavy matte finish paper stock ready for framing. Two sizes are available: 9"x12" with 1 1/2" white border, and 18"x24" with a 3" white border.

Prints available are: (1) sharp-tail grouse, (2) ruffed grouse, (3) pheasant, (4) bob-white quail, (5) Canadian geese, (6) mallards, painted to show some of the wildlife found in the North Central area.

To order your copies, use order form, mail with your check or money order directly to Mr. Pehrson. Please designate number, size, and quantity desired on order blank.

About the Artist: Avid hunter, wildlife observer/painter since boyhood, a graduate of The Minneapolis School of Art, Sherm Pehrson recently retired from a 30-year career in commercial art, including 15 years as art director of his own studio, to have more time to paint his best-loved hunting lands.
