For better service we make the following suggestions

- Make your reservation as far in advance as possible.
- Please check in at the ticket counter at least 20 minutes before flight time. Reservations are subject to cancellation unless you present yourself at the ticket lifting point at least 10 minutes prior to scheduled departure time.
- Please re-confirm reservations at the city where you will board at least 6 hours prior to scheduled departure, after a stopover of twelve hours or more.
- Give airline personnel at the station you expect to board a phone number where you can be reached.
- Please cancel your reservation promptly if your plans change or it is evident you will be too late for the flight.
- Reserve your Rental Car in advance.

Carry-on Baggage Regulations

- FAA regulations require that all articles carried on board commercial aircraft will be searched. We recommend that you check all baggage that will not be needed in flight.
- Carry-on articles such as briefcases, hat boxes, musical instruments, etc., must be limited in size so they can be placed under the seat. Items not meeting this size limitation must be checked as baggage.
