## PASSENGER BRIEFING

### **FARES:**

Fares are to be paid in cash. Credit Cards are accepted. Children under 12 accompanied by an adult are one-half the adult fare. We accept the tickets of all major airlines.

### **CHECK-IN TIME:**

In the interest of on-time service for all passengers, Simmons Airlines requests that all **passengers without tickets** be at the airport counter 45 minutes prior to scheduled departure time of their flight. **Ticketed passengers** should be at the airport counter 30 minutes prior to their scheduled departure time. Passengers presenting themselves at the Simmons airport counter less than 15 minutes prior to their scheduled departure time will be subject to cancellations.

### **BAGGAGE:**

For each passenger, the maximum free baggage allowance is three pieces with the total weight not exceeding 70 pounds. Linear dimensions (length + height + width) not to exceed 62 inches for the first piece, 55 inches for the second and 45 inches for the third. Passenger identification must be placed on the outside of all baggage. Identification labels are available from your Simmons ticket agent at no cost.

**EXCESS:** Articles not qualifying as free baggage will be charged at \$6.00 per bag and may be forwarded on the next available flight.

**LIABILITY:** Simmons Airlines baggage liability is limited to \$750 per passenger. All baggage should be locked. Do not place money, jewels, cameras, vital medication, fragile or perishable items in baggage. Due to weight limitation, there may be times when all baggage may not be accommodated on the same flight as the passenger.

**CLAIMS:** Damage to and loss of baggage must be reported to Simmons Airlines upon termination of your flight.

**NOTE:** Military personnel may check a duffel, sea or B-4 bag in lieu of the first and second pieces.

### **BANDEIRANTE SERVICE:**

All routes are served by new Embraer's Bandeirantes, a "pioneer" among the advanced-technology aircraft. Carrying 18 passengers at a cruising speed of 250 miles per hour, this twin-engine turboprop meets its schedule with uncompromised safety and fuel efficiency. Pilots are ATP rated and co-pilots are fully-certified.

### **RESTRICTED ARTICLES:**

Flammable liquids, corrosives, acids, compressed gasses, matches or other hazardous articles must not be placed in baggage. (In addition, Federal Aviation Regulations limit the carriage of compressed gasses in aerosol cans, such as hair sprays, shaving cream, and deodorant to 32 ounces per passenger with a maximum of 16 ounces per container.) "Visible Fluid" lighters may not be used on board aircraft. Operation of electronic devices is prohibited on board the aircraft due to possible interference with the navigation or communication systems. Portable electronic devices such as voice recorders, hearing aids, and heart pacemakers will be permitted.

### **RESPONSIBILITY:**

Simmons Airlines is not responsible for damage, travel expenses or overnight accommodations resulting from the failure to depart or arrive at scheduled times, nor for failure to make connections, nor for cancellations beyond our control. Simmons Airlines has the right to cancel flights or reservations before passage or enroute whenever such action is advisable or necessary. The passenger will receive space on the first available flight or the unused portion of the ticket will be refunded.

Schedules and fares are subject to change without notice.

Holiday schedules may differ slightly; please call your Simmons reservations office for information: (800)682-7834 in Michigan or (800)338-4842 in USA.

### **RENT-A-CAR SERVICE:**

For your convenience, arrangements for rental cars will be made by giving prior notice to your ticket agent.
