

# NORTHWEST ORIENT

System Timetable Effective December 1, 1981

# *We own more 747s than United, American and TWA combined.*

At Northwest Orient, we invest our money where it counts, such as in better aircraft.

We own outright all of our 747s. And, for that matter, all of our planes. Ours is one of the most modern, fuel-efficient fleets. With one of the highest percentages of widecabin planes in the world.

For 55 years, we've been building ourselves into one of the world's great airlines by working hard at the basics. That's the Northwest Orient way.

**NORTHWEST ORIENT**  
*THE WORLD IS GOING OUR WAY.*
