# Nobody flies cargo to more cities than Republic

At Republic Airlines, we fly to more cities every day—over 150—than any other airline... including Federal Express. So when you ship on Republic, there's less chance your shipment will be lost or delayed. Because with us, your cargo can be shipped direct and remain in our system instead of being transferred to another carrier.

At Republic, we'll get it there on time. As promised. Plane & Simple.™

## No other major airline offers more service and flies to more cities than we do.

Other major airlines offer you low fares and special rates. So do we. And we guarantee it.

All the other major airlines offer charter service, meeting and convention services and attractive vacation tours. So do we.

Several top airlines say they cater to business travelers with special seating, airport lounges, and free tickets for frequent flyers. No one does all that better than we do.

Every major airline delivers fast, reliable cargo service. So do we.

And it seems all the airlines say they serve the best food in the sky. Our passengers tell us ours really is.

But there is one thing no other airline is saying. And that is, they go to more cities than we do. Coast-to-coast, big or small, nobody can take you more places than Republic. And that says a lot. Say a lot for yourself. Fly Republic.
