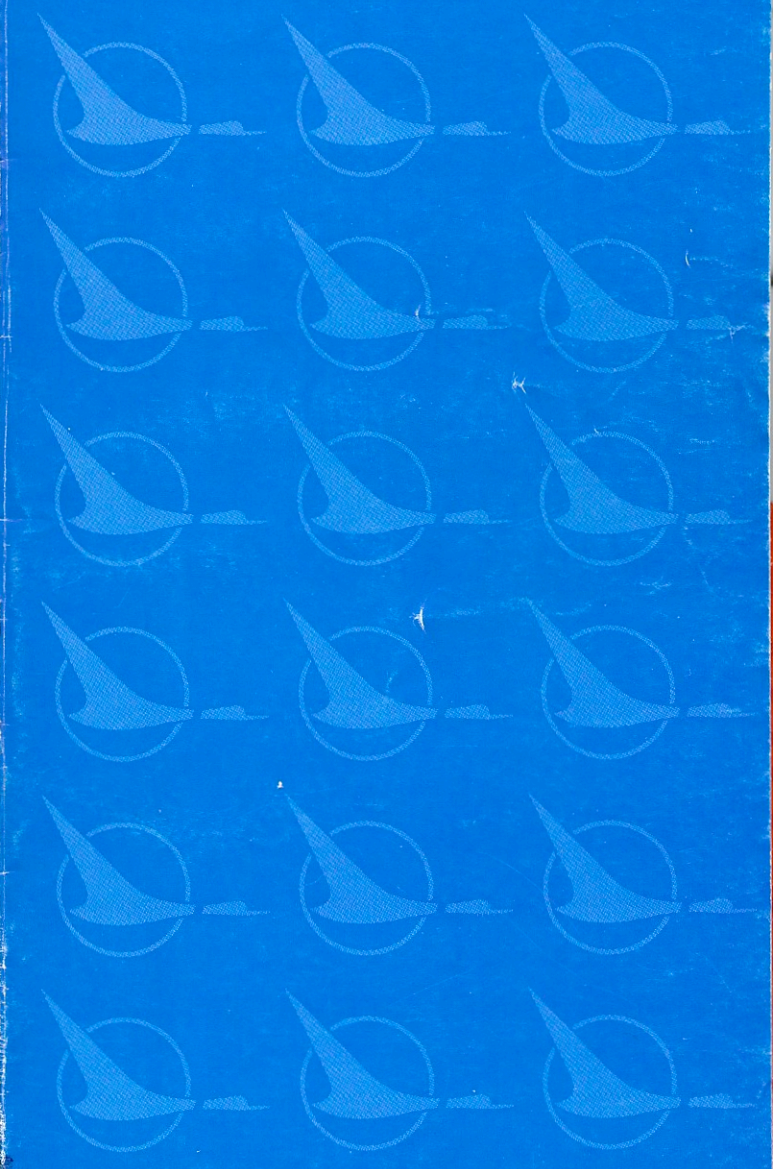
REPUBLIC AIRLINES

Effective October 30, 1983



SYSTEM TIMETABLE

"There seems to be a spirit in your organization... everyone working as a team to do the job better."

—R.E. Miller, President, REM, Inc., Edina, Minnesota

Captain Robert Neiderer, Sanchia Gahn, John Borszich, Roger Brommer—Minneapolis/St. Paul.

Every Republic employee, from pilot to passenger service agent, station agent to mechanic, works with a pride passengers notice. That's one reason why Republic gets thousands of letters every year that really say the same thing: nobody serves our republic like Republic.

Tails you win.

NOBODY FLIES CARGO TO MORE CITIES THAN REPUBLIC

With Republic Airlines, you're the winner. We fly to more cities every day—over 150—than any other airline. More cities than United, Eastern, even Federal Express.

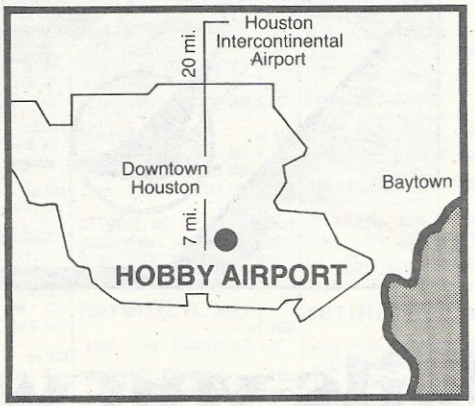
At Republic, we have over 1,300 daily departures. More than Northwest, Western, even American.

At Republic, we can make heads or tails out of any shipping problem. And no matter if your shipment is big or small, there's less chance it will be lost or delayed. Because with us, your cargo can be shipped direct and remain in our system instead of being transferred to another carrier.

At Republic, we'll get it there on time. As promised. Plane & Simple.™

REPUBLIC AIRLINES
Nobody Serves Our Republic Like Republic.®

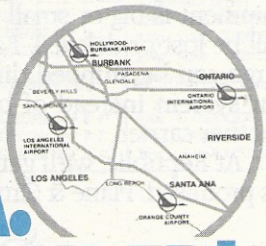
MAKE REPUBLIC YOUR HOBBY.



If you're planning a full business day, you can't afford to spend it commuting. Republic gets you to and from Houston faster with convenient service to close in downtown Houston Hobby airport.

REPUBLIC AIRLINES

WE'VE GOT L.A. SURROUNDED!



Republic serves all 4 major Los Angeles area airports.

REPUBLIC AIRLINES

Here are all the other major airlines that offer more services and fly to more cities than we do:

Other major airlines offer you low fares and special rates. So do we. And we guarantee it.

All the other major airlines offer charter service, meeting and convention services and attractive vacation tours. So do we.

Several top airlines say they cater to business travelers with special seating, airport lounges, and free tickets for frequent flyers. No one does all that better than we do.

Every major airline delivers fast, reliable cargo service. So do we.

And it seems all the airlines say they serve the best food in the sky. Our passengers tell us ours really is.

But there is one thing no other airline is saying. And that is, they go to more cities than we do. Coast-to-coast, big or small, nobody can take you more places than Republic. And that says a lot. Say a lot for yourself. Fly Republic.

REPUBLIC AIRLINES

Nobody Serves Our Republic Like Republic.®

Our Runway Runs From Coast To Coast.

Chicago or Chattanooga. Detroit or Des Moines. New York or Nashville. San Francisco or Sarasota.

At Republic Airlines, our runway runs from coast to coast. We serve more cities in the U.S. than any other airline (in addition to Canada, Mexico, and the Cayman Islands).

So the next time you're traveling, remember:

There are plenty of airlines that can take you from New York to Los Angeles.

But there's only one airline that can take you from New York to Los Angeles—as well as over 150 cities in between.

RESPONSIBILITY FOR DEPARTURES - ARRIVALS - CONNECTIONS: Republic will not be responsible for damages resulting from the failure of flights to depart or arrive at times stated in this flight schedule, nor for failure to make connections with planes of other airlines or of this company. Schedules are subject to change without notice and are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be guaranteed. Schedules will be adjusted during certain holiday periods. Please check with your nearest Reservations office for these changes.

BAGGAGE REGULATIONS

BAGGAGE: Within the United States, Canada and Mexico carrier will transport without charge, 1 piece of baggage with linear dimensions (length + height + width) not exceeding 62 inches, plus 1 piece of baggage with linear dimensions not exceeding 55 inches, plus one or more additional pieces which, if measured together, do not exceed 45 inches in overall total dimensions. The latter may be carried on board if it remains under the passenger's seat. Approximate maximum dimensions are 21" X 16" X 8" (total not to exceed 45"). The maximum weight of any one of three pieces shall not exceed 70 pounds. Articles exceeding the free allowance will be assessed excess baggage charges.

Passenger's baggage must contain owner identification on the outside of the baggage and all baggage should be locked. Fragile and perishable articles, medicines, passports or valuable items should be carried in hand luggage.

SECURITY REGULATIONS: FAA regulations require that all carry-on baggage/articles must be inspected or processed through metal detecting devices. Firearms in checked baggage must be declared and unloaded.

Carry-on articles such as briefcases, hat boxes, musical instruments, etc. must be limited in size so they can be placed under the passenger's seat or approved compartment. Items not meeting this limitation must be checked as baggage.

RESTRICTED ARTICLES: Acids, matches, flammable liquids and other hazardous articles must not be packed in baggage, nor may "visible fluid" lighters be used on board aircraft. AM and FM radios, TV receiver and other electronic devices must not be used on board aircraft in order to avoid disturbance of the aircraft's electronic navigational equipment. Portable electronic devices such as voice recorders, hearing aids, heart pacemakers and electric shavers will be permitted.
