## LOOK WHO'S LANDED AT THE TOP.

We're getting you where you want to go, right on schedule. In fact, since January, we've consistently ranked among the top of all major U.S. airlines and soared ahead of American, United and Delta. It's taken a lot of planning, building and listening to get where we are today. Thanks to the efforts of our 36,000 employees, we're committed to keeping Northwest Airlines on top of the charts.

## HOW TO BUILD A CONNECTION

This timetable contains selected schedule information. For service not displayed, connections can be constructed through one of the Northwest hubs.

- Choose a flight from your origin city to one of Northwest's four domestic hub cities: Detroit, Memphis, Milwaukee or Minneapolis/St. Paul. Or choose a flight to one of Northwest's six international gateway cities: Boston, New York's JFK Airport, Chicago's O'Hare Airport, Seattle/Tacoma, San Francisco or Los Angeles.
- Note arrival time at hub or gateway.
- Allow enough time to make your connecting flight by adding the minimum connecting times listed below.
- Find the most convenient flight to your final destination.
- You may want to check out an alternate hub or gateway for a faster trip. For example, you can get from Washington, D.C. to Seattle via any of the four domestic hubs.
