HOW TO USE THIS TIMETABLE

This timetable is arranged alphabetically by airport code, not by city name. This schedule lists all nonstop Northwest and NW AirlinK flights as well as selected one- and two-stop flights.

If you can't find a direct flight from your origin to your destination it's easy to build a connection via one of our four hubs, DTW, MEM, MKE and MSP or via our international gateways of BOS, JFK, ORD, SEA, SFO, and LAX. Follow these steps to build a connection.

- Choose a flight from origin to hub or gateway
- Note arrival time at hub or gateway
- Allow enough time to make your flight by adding the minimum connecting time to your arrival time in hub or gateway
- Find the best flight to your destination
- You may want to check another hub or gateway for a faster trip (you can get from Washington DC to Seattle via DTW, MEM, MKE or MSP)
- Please note flight numbers 4000-4999, operated by USAIR, are listed only to provide connecting service to ASIA
