How to Build a Connection

This timetable contains selected schedule information. For service not displayed, connections can be constructed through one of the Northwest hubs.

▼ Choose a flight from your origin city to one of the following:

Domestic Hubs	International Gateways	Asian Hubs
Detroit	Boston	Tokyo
Memphis	New York's JFK	Osaka
Minneapolis/St. Paul	Chicago O'Hare	
	Seattle	
	San Francisco	
	Los Angeles	

▼ Note arrival time at hub or gateway.

▼ Allow enough time to make your connecting flight by adding the minimum connection times listed on the Explanation of References page.

▼ Find the most convenient flight to your final destination.

▼ You may want to check out an alternate hub or gateway for a faster trip. For example, you can get from Los Angeles to New York (LaGuardia) via Detroit, Memphis or Minneapolis/St. Paul.

Notice

Northwest Airlines provides a completely smoke-free environment on all North American flights, transatlantic flights, nonstop flights between Seattle and Hong Kong, flights 11 and 12 between Detroit and Tokyo, flights 29 and 30 from Detroit to Seoul, and all flights between Tokyo and Guam, between Tokyo and Saipan, and between Nagoya and Guam.

Schedules are subject to change without notice and are based on expected flying times. Northwest will not be responsible for damages resulting from failure of flights to depart or arrive at times stated.
