Earn and Redeem WorldPerks® Miles to More Places in Hawaii

Effective December 1, 1997, Northwest Airlines begins a new joint service affiliation with Aloha Airlines. This makes connections from the U.S. mainland and Japan to Aloha's inter-island flights more convenient.

Earn 500 WorldPerks bonus miles.

WorldPerks members earn 500 WorldPerks bonus miles when they fly roundtrip to Hawaii and connect with Aloha Airlines or Aloha Island Air for their inter-island travel.

Convenient connections.

In addition to our ongoing partnership with Hawaiian Airlines, this new Aloha affiliation offers one-stop check-in, boarding passes, seat assignments and automated baggage tags to your final destination.

The most service to Honolulu.

Northwest Airlines offers more service to Honolulu from cities in the U.S. mainland and Japan. Service includes nonstop flights from Minneapolis/St. Paul, Seattle, San Francisco, Los Angeles, Tokyo, Osaka, Nagoya and Fukuoka.

Call Northwest at 1-800-225-2525, or your travel agent. Visit our web sit at www.nwa.com.

New Nonstop Service to Hong Kong

Northwest Airlines now offers nonstop service between Minneapolis/St. Paul and Hong Kong three times each week. With this new route, Minneapolis/St. Paul joins Los Angeles and San Francisco as the only cities with nonstop service to Tokyo, Osaka and Hong Kong.

Faster service and more convenient connections

This new service provides travelers with convenient connections from cities throughout the Midwest and Eastern U.S. and Canada to Hong Kong. On average, Northwest can get most East Coast travelers to Hong Kong faster than any other airline.

Plus, the new International Arrivals Facility at the Minneapolis/St. Paul airport makes your return from Hong Kong more convenient with easy access to and from connecting Northwest flights.

Additional service to China

Service between Detroit and Beijing recently increased to four times weekly. And in April that number goes up to five times each week. Northwest also offers service to Hong Kong, Shanghai and Beijing via Narita Airport.
