DEPENDABLE SERVICE

BONANZA AIR LINES is proud of its 8 years of public service in air transport. This pride is being continued while we provide you with the finest air service possible over "The Route of the Gold Strikes". The route map shown below reveals the land of wealth over which we fly. Fortunes have been taken from this area but more untold wealth remains hidden. In serving the fifteen cities on our route, we fly nearly five thousand miles daily. The proposed extensions reflected in the route map would add seven cities to our system in addition to over five thousand more miles daily. In combining the existing and the proposed routes BONANZA would help build the story book west into the west of tomorrow.
