

NORTH CENTRAL AIRLINES

APRIL 30 THRU JUNE 8, 1967

Fly North Central's jet-powered Convair 580

...fastest twin-engine prop-jet in the world!

The Convair 580 prop-jet has joined the North Central fleet! And from powerful take-off to gentle landing, you'll notice a jet-smooth difference in performance. The "580" flies 100 miles an hour faster than a conventional Convair. It has three times the rate of climb. And you'll cruise at higher altitudes—in the quiet skies above the weather—even on short flights.

Jet-power isn't all that's new at North Central. Luxurious Convair 580 interior appointments are designed to make your North Central flights more relaxing, more comfortable and more enjoyable than ever before. Make your next North Central flight smoother, quieter, and up to 30% faster. Fly the jet-powered Convair 580 the next time you travel the jet-smooth skyways of North Central!
