Building a NEW "West Coast Empire"

For the first time since the days of the covered wagon, two great empires in three great states — the Evergreen Empire and the Inland Empire — are linked together by a single transportation system. Two thousand miles of local SERVICE, connecting 43 cities becoming increasingly inter-dependent each with the other in

Idaho, Oregon and Washington! Pioneering new skyways, West Coast Airlines now makes possible single-day round-trip service to and from most cities on its routes — bringing "good neighbor" communities ever nearer in the fast-growing Pacific Northwest.
THE LOCAL SERVICE AIRLINE.
