BUILDING A NEW WEST COAST EMPIRE

For the first time since the days of the covered wagon, two great empires in three great states—the Evergreen Empire and the Inland Empire—are linked together by a single transportation system. Two thousand miles of local SERVICE, connecting 43 cities becoming increasingly inter-dependent each with the other in Idaho, Oregon and Washington!

Pioneering new skyways, West Coast Airlines now makes possible single-day round-trip service to and from most cities on its routes—bringing “good neighbor” communities ever nearer in the fast-growing Pacific Northwest.
