NORTHWEST ORIENT

System Timetable Effective April 1, 1972

Fly the Orient Express Way

Nobody flies to more Orient cities from more cities in the U.S.A.

Only Northwest flies direct between 11 major U.S. cities and 7 cities in the Orient, usually with no plane change en route. And only Northwest — nobody else — can give you convenient connections to and from 28 other Northwest cities.

As a matter of fact, nobody else flies more 747s to and from the Orient and gives you the choice of Polar, North-Pacific, and Mid-Pacific routes.

Or gives you magnificent Regal Imperial Service — including movies* and stereo* — while you're in flight.

Fly the Orient Express Way — East and Westbound — between 39 U.S. and 7 Orient cities. Nobody does it nearly as well as Northwest.

\$2.50 charge on international 747 flights.
