A relaxing idea for travelers to Japan

If you're flying to Tokyo, instead of facing that long drive into the city after a transpacific flight, why not stop over at the Narita International Hotel?

It's only a short way from the airport—situated in the peace and quiet of the countryside. Japanese hospitality, good food, excellent sports facilities, plus nearby villages and temples make staying at the Narita a real pleasure.

The Narita International Hotel, owned and operated by Northwest Orient. For reservations call your nearest Northwest Orient reservation office.
