GENERAL INFORMATION

AGRICULTURE RESTRICTIONS: Importation into the United States of plant pests, plants, plant products, meats and meat products, certain animals and animal products contrary to requirements under the U.S. agricultural laws is a federal offense. Such articles are also subject to seizure and destruction. Consult the U.S. Department of Agriculture or the nearest U.S. Foreign Office overseas for details.

ALCOHOLIC BEVERAGES: Federal Aviation Administration rules provide that no person may drink alcoholic beverages aboard an aircraft unless they have been served by an airline, and no airline may serve alcoholic beverages to a person who appears to be intoxicated.

AMENITIES such as hotel accommodations, meals, phone calls and ground transport are not provided at Northwest expense except in the case of passengers traveling on Northwest international flights which are delayed, cancelled or misconnect to other flights.

BAGGAGE includes all checked luggage and other articles carried by the passenger including briefcases, cameras, cosmetic cases, etc.

Money, jewelry, expensive and other necessary items should be carried in your possession whenever possible, since baggage which is checked at your departure city is not available until arrival at your destination.

Government safety regulations issued by the F.A.A. limit carry-on baggage and related personal belongings to items that are capable of being stowed under the seat in front of the passenger. Exempt from these regulations are a pocketbook or handbag, camera, binoculars and a reasonable amount of personal clothing and reading material.

In terms of size this means that carry-on luggage must be limited to items that collectively do not exceed the size of 21x15x9 in. (53x38x23 cm.). Carry-on garment bags will be limited to those which contain no more than three hangers. Items not meeting the physical dimensions for under-seat stowage can be accommodated in the heated, pressurized and ventilated cargo compartment of the aircraft, subject to tariff regulations.

Free baggage allowances are as follows: For travel between points in the U.S. and between the U.S. and Canada—two checked pieces of luggage. Passengers may also check or carry on an additional piece of baggage not exceeding 45 in. (114 cm.) in total dimensions and capable of being stored under the seat in front of the passenger.

For travel between the U.S. or Canada and Europe or the Orient—two checked pieces of luggage and one or more pieces of carry-on baggage capable of being stowed under the seat in front of the passenger.

For travel between countries in Europe or the Orient—66 lbs. (30 kgs.) for first class and 44 lbs. (20 kgs.) for economy class.
