You'll make great business connections on Republic.

At Republic, we've built a route system using some of the nation's least congested airports as our hubs, instead of using the busiest ones like our competitors do.

We can fly you to all the nation's leading business centers, but we fly through Minneapolis/St. Paul, Detroit and Memphis, instead of congested airports where crowds make connections a problem.

When you fly Republic on business, you not only avoid the congestion and the crowds, you get where you're going on schedule and with a lot less frustration.

And that's got to be one of the nicest perks of all.

So on your next business trip, fly Republic. And make some great connections.
